("Great Western Mining", "GWM" or the "Company")

### "M4" Update

Great Western Mining, the AIM (AIM: GWMO) and ESM quoted mineral exploration company is pleased to announce that the Nevada Bureau of Mining Regulation and Reclamation ("BMRR") has approved the reclamation permit for the Company's Target 4 Exploration Project ("M4"). Following a statutory appeal period under the Nevada Administrative Code the permit became effective on 02 January, 2016.

**Chief Executive, David Fraser commented:** *"Approval from the BMRR was the final hurdle that needed to be cleared before work can commence on M4. The Company is now in the position of having valid drill permits for two of its major Copper-Gold targets, M2 and M4. We look forward to updating shareholders as the 2016 field programme progresses."*
